INFORMATION TEXT ON THE PROCESSING OF PERSONAL DATA

Eralkan Customs Consultancy Co.Ltd. (“Eralkan”), as the data controller,
We operate within the scope of the Data Protection Law (“Law”). This text contains information about how we process your personal data.
Purposes and Legal Reasons for Processing Personal Data
Your personal data is processed based on the legal reasons specified in Articles 5 and 6 of the Law. Eralkan processes your personal data for the purposes of receiving and concluding your suggestions, requests and complaints, conducting communication activities, and examining and auditing our business processes, based on legal grounds for establishing, exercising or protecting a right and data processing is necessary for our legitimate interests.
If you have given your express consent for your personal data, Eralkan will send you to us in line with your communication permission preferences.
will be processed in order to inform you about its campaigns, events and opportunities.
To Whom Personal Data Will Be Transferred And For What Purposes
Your personal data will be shared with authorized institutions and organizations within the scope of our legal obligations and legal processes. Your data will also be transferred to service providers and business partners, based on the legal reasons stated above, in order to achieve the above-mentioned purposes. In sharing your personal data with third parties, compliance with the rules regarding the transfer of personal data specified in Articles 8 and 9 of the Law is ensured.
Personal Data Collection Method and Legal Reasons
Your personal data is collected through the contact form by automatic and partially automatic methods. While processing your data, we act on the basis of legal reasons for the establishment, exercise or protection of a right specified in Article 5 of the Law, and the fact that data processing is mandatory for our legitimate interests. In cases where there is at least one of the legal reasons specified in the Law for the processing of your personal data, your explicit consent is asked for the processing of your data.
Personal Data Owner Rights of the Relevant Person
Article 11 of the Law regulates the rights of real persons whose personal data are processed. Pursuant to this article, data subject persons have the following rights:

• Learning whether personal data is processed or not,
• If personal data has been processed, requesting information about it,
• To learn the purpose of processing personal data and whether they are used in accordance with the purpose,
• Knowing the third parties to whom personal data is transferred in the country or abroad,
• Requesting correction of personal data in case of incomplete or incorrect processing and requesting notification of the transaction made within this scope to the third parties to whom the personal data has been transferred,
• Requesting the deletion or destruction of personal data in the event that the reasons requiring its processing have disappeared, although it has been processed in accordance with the provisions of the law and other relevant laws, and requesting the notification of the transaction made within this scope to the third parties to whom the personal data has been transferred,
• Objecting to the emergence of a result against the person himself by analyzing the processed data exclusively through automated systems,
• In case of damage due to unlawful processing of personal data,
do not demand removal.
